**Notes:**

Figures are applicable to students regardless of Pennsylvania or Out-of-State residency.

The reference to "First Professional" is alternatively referenced in higher education as "Doctor's Degree - Professional Practice".

Not listed here are *course/major fees* that are based upon registration in specific courses (e.g., lab fees), *or academic fees* (e.g., application fees, academic program fees for programs such as Cooperative Engineering Program and Study Abroad) or *service fees* (e.g., late application for graduation and lost ID cards) or professional workshop and professional development fees.

### Determining How Full-Time vs Part-Time Students Are Billed

**In the Fall and Spring Terms:**

Undergraduate students registered for 12 to 18 credits in the Fall and Spring Terms are regarded as full-time students, and are assessed the current undergraduate "flat" tuition rate for their academic center.

Undergraduate students registered for fewer than 12 credits are considered part-time, and are billed on a per-credit basis.

Graduate students registered for 9 to 15 credits in the Fall and Spring Terms are regarded as full-time students, and are assessed the current graduate "flat" tuition rate for their academic center.

Graduate students registered for fewer than 9 credits are considered part-time, and billed on a per-credit basis.

Students will be charged per credit for each credit exceeding the maximum full-time credit limit.

**In the Summer Term:**

All students are billed on a per-credit basis in the Summer Term with the exception of students in the Dental Medicine Dental Hygiene Certificate Program; the Cooperative Engineering (undergraduate) Program; the Katz Full-time MBA, MBA/MS and EMBA Programs; and the Accelerated Nursing Program.
